Subject: Update from Allison for OR CZARA Call

Hi All,

DC is experiencing another storm so it is likely only Lynda from DC will be participating in the call. Allison sent an update which is shown below.

Cheers,

Jayne

Subject: Won't be on OR check-in call today

Hi Jayne--

DC's getting hit by another snowstorm today and fed. gov'n't is shut down. I won't be able to call in for our check in this afternoon.

I don't have much new to report on my end:

1. Several new comments have come in (which I've already informed the group). All are now available online at: <http://coastalmanagement.noaa.gov/nonpoint/oregonDocket/publicComments.html>
2. Don, Steve, Jeff and I are scheduled to speak to the Coastal States Organization Legal Counsel meeting on Wed about CZARA and OR lawsuit. However, not sure how today's weather may impact that as lots of state folks were supposed to fly in today and most flights are canceled into DC. CSO legal counsel is small group of state czm managers and their attorney's (we were expecting a little over 10 folks).
